

AP Merchandise Contact List – Domestic Team

Ross has a self-service vendor portal where you can view all invoices and payments in our system. If you are not already a registered user for this portal, please click here for the [Supplier Portal Access Request form](#) and follow the instruction on the form to get access.

If you have questions about your account that you are not able to find on the portal, we have a team of Sr. Vendor Specialist's that handle vendor accounts. Below is a list of our team members and the accounts they handle are based on the first letter of your company name.
